## Minutes

*These are the minutes of the November club meeting held online via ZOOM, November 24th, 2020*

- ◆ Joe began by saying that 2020 was a long and a fast year with all that transpired. The club has weathered the storm as a group. He thanked members for putting up with the Zoom meetings and everything else.
- ◆ Joe told us that future Hands On meetings will be suspended until march. In the meantime, members needing supplies can contact him or Charlie McCarthy. You do not need a PayPal account. We can package up what you need ahead of time. Joe said the club has quite a bit of wood by the trailer out back. Members should try to combine their wood pickup with getting supplies in the same visit.
- ◆ Joe said, "I did a four hour session with Cindy Drozda and took copious notes. For everybody who pays their dues for 2021 before the next meeting, you'll be entered into a drawing for five Craft Supply gift certificates. You can go the website membership page to start the process. Dues remain at \$50.00"
- ◆ Joe added that there is a memorial to Wally Kemp on the AAW website. There is a similar version on the club website. You can access it by going there, signing in and clicking on "about us". Fur-
