Hank received information from Craft Supplies.

Wally reported \$1248 in treasury.

He also described how our pieces will be displayed at February 2011 exhibit at Norwell James Library. Room for 17-18 hanging pieces, 50 ft. of shelf space and some room for pedestals. A name list of hanging pieces is needed for show.

Ron reported he has added a new book to library and still has VHS items for sale or may give away.

Mal reported that AAW is interested in how they can get more Chapters to contribute to Symposium Collaborative Challenge. He also had an interesting newspaper article featuring member Jim Denker.

Sid reported that Dave Hutchin's was at his shop and doing fine.

Members reviewed the AAW Hartford Symposium. Bob Allen thanked those members who volunteered.

David Rice was team leader of the volunteers group. He thanked the 20 members from MSSW, who in their orange T shirts helped at the Symposium.

Nigel gave an interesting review of the show. There was a large trade show and the Instant Gallery was awesome. Sliced up bowl sold for \$34,000 at auction. He also had a piece in auction. There were 1500 at banquet and a great meal was served.

Turnings for the AAW 8" cube were discussed. A fee of \$20 is required for cube.

The Cohasset show was reviewed. \$1390 in sales. John DeStrampe said we need more members selling to help cover booth cost. The roof of booth blew off twice. Sales Saturday were \$738 - best day. There was a thunderstorm on Sunday. Demonstrations went well.

Jeff reported that a past member, Roger Hill, received a Blue Ribbon for wood turnings.

A Saturday AM Chain saw party was to be set up by Jeff for an Ash tree and a Cherry and Oak burl.

Nigel announced a Summer Party and meeting on Saturday, July 31st, at his shop/home. A map was available with directions.
