# AS THE WOOD TURNS

January 2000

### Welcome to the New Millennium - 1

MSSW's New Years Resolution is to encourage timid and new woodturners to speak up and seek help from our resource of turners willing to explain the unexplainable!

Our 3rd. annual **Christmas Party** was held on the 21st. of December at Hank Cahill's Dust Bowl (less dust!!). It was a festive occasion shared with six members of Upper Plymouth County Woodcarvers, our spouses and friends. There was plenty of good food and pleasant conversation. Gifts were pulled from the grab bag box and opened with accompanying oohs and aahs.

Hank was more than pleased with the turnout and wishes everyone a healthy and fulfilling new year, as do the MSSW officers. We look forward to a very productive year with more of our members becoming involved with turning and learning. The AAW Chapter Collaborative Challenge will be a major effort by some of our members - it would be great if each and every member could contribute.

#### Year 2000 Officers

Volunteers welcome - Get your name on the front of the MSSW Newsletter! You don't need to report income received as there isn't any, only the satisfaction of serving as an officer of a great woodturning group. If you can't serve, why not help our President in arranging demonstrations or put on a demo yourself.

## AAW Chapter Collaborative Challenge 2000

Eight members have volunteered to participate in our project. A meeting of volunteers will be held at **Jesse Meyers** shop, Wednsday, January 19th at 1pm, to select stock and assign components for fabrication. Those who can not attend can pick up drawings at the next MSSW meeting.

### Editor's Note:

Our newsletter can be made available to members in Acrobat .pdf format for viewing on your computer in living color. Your turnings look great on screen and you can print them out in color if desired. Let's discuss it at the next meeting if you are interested.
